

More, Better and Earlier Advance Care Planning across British Columbia

May 28th, 2016

BC Hospice Palliative Care Association Annual Conference

Sue Grant, Communications Consultant

Laura Spencer, Provincial ACP Initiative Lead

BC Centre for Palliative Care

Let's have a conversation

Sue - The public
perspective

Laura - BC Centre for
Palliative Care
perspective

ACP expert

Newer to ACP

After this workshop I will...

- Know that the BC Centre for Palliative Care is leading an Advance Care Planning (ACP) initiative
- Know what's different in the My Voice revision
- Have had the opportunity to provide input into the promotion of ACP in BC
- Know where to access information/stay in touch

Advance Care Planning

BC Centre for Palliative Care Advance Care Planning Initiative

A system
that aligns each person's
wishes for care with the care
they receive, by facilitating
more, better, earlier
Advance Care Planning
across BC

What I Do Matters.

All together now

- ✓ Over 40 Key Informant interviews
- ✓ December project launch event
- ✓ Three Working Groups
- ✓ National ACP Day: social media, newsletter, blogs, website

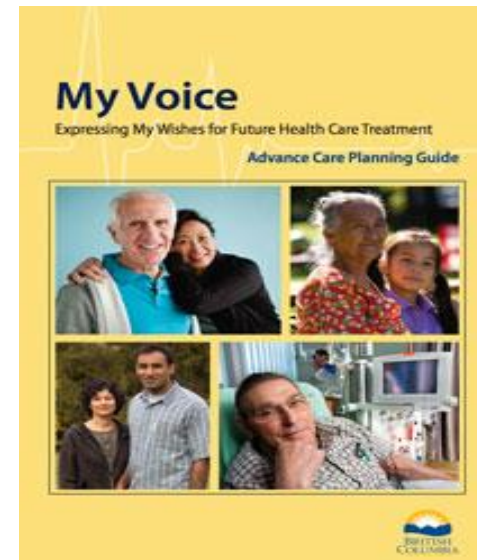

We've been listening

Feedback from:

- ✓ The public
- ✓ ACP leaders
- ✓ Healthcare providers

The right people at the table.

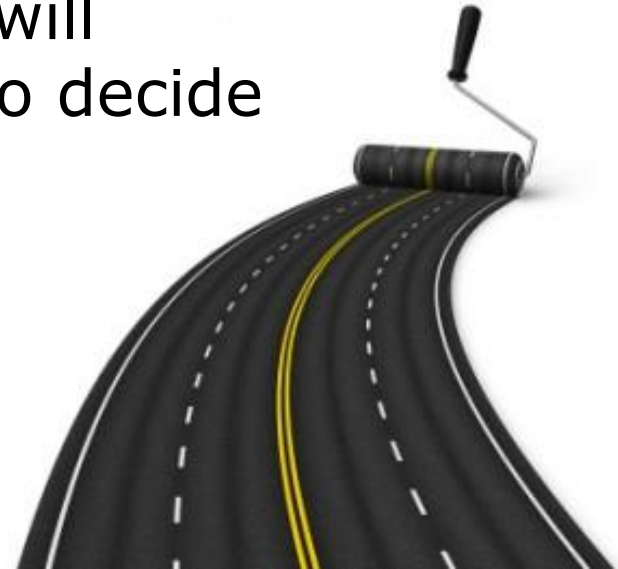

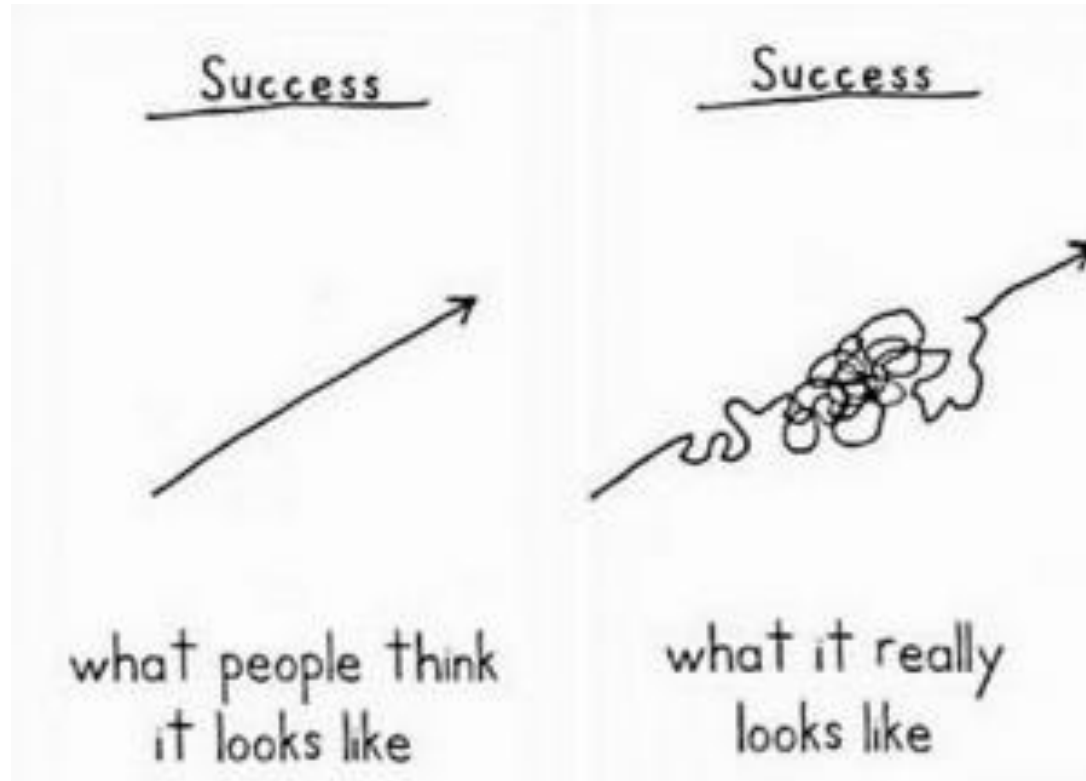

My Voice guide needs to be

- Clear
- Easy to understand
- Accessible to everyone

We need you

- We're gathering information from the public
- We want to validate it, using your input
- It's an ongoing process and we will continue to collect information to decide where to go next
