### **Post 2013 Provincial Election Update**

Following the BC Provincial election held on May 15<sup>th</sup>, 2013, BCHPCA sent a letter of congratulations to the newly appointed Minister of Health, the Hon. Dr. Terry Lake (MLA for Kamloops-North Thompson).

We also congratulated the new Parliamentary Secretary to the Minister of Health for Seniors, Linda Larson (MLA for Boundary-Similkameen). Both letters are attached here for your information.

In response to our letter, Minister Lake's office called and invited Meg Milner, President BCHPCA to an "introductory phone call" with the Minister. That call occurred on Monday; Meg described it as very positive and she then responded with a thank you letter which identified the key points in their conversation. The thank you letter is also attached.

We have also attached updated list of MLA's - names, constituencies and email addresses.
